2. Specifically, the request was for to attend the "6th International Symposium on Remote Sensing of the Bavirosment", at the University of Michigan, Ann Arbor, Michigan from 13 to 16 October 1969. The impact of the cost of this request on the contract will be marginal since the fee for the symposium was given as \$30 and the transportation would be tied in with one of planmed visits to the Washington area.  3. It is considered that granting this request would aid in their prosecution of this contract and would, therefore, be in the best interest of the Sponsor.  4.
